NOTES.

Section 16 provides that "nothing contained in this act shall operate to reduce the total of the pay and allowances which any enlisted man of the Army * * * is now receiving during his current enlistment and while he holds present grade or rating."

Section 18 abolishes extra pay for qualification in marksmanship, gunnery, and telegraphy, and ratings in the Coast Artillery, but provides for additional compensation to enlisted men under such regulations as the President may prescribe of not less than \$1 or more than \$5 "for special qualifications in the use of the arm or arms which they may be required to use."

Enlisted men not furnished quarters or rations in kind are entitled to an allowance for quarters and subsistence not exceeding \$4 per day under regulations to be prescribed by the President.

Increase of pay for foreign service and commutation of quarters, heat, and light are repealed, effective July 1, 1922.

On and after July 1, 1922, an enlistment allowance equal to \$50, multiplied by the number of years served in the enlistment period from which he has last been discharged, shall be paid to every honorably discharged enlisted man of the first three grades who reenlists within a period of three months from the date of his discharge, and an enlistment allowance of \$25, multiplied by the number of years served in the enlistment period from which he has last been discharged, shall be paid to every honorably discharged enlisted man of the other grades who reenlists within a period of three months from the date of his discharge.

Monthly pay of enlisted men of the Philippine Scouts, effective August 1, 1922.
